

## **BCM SCHOOL**

**A SENIOR SECONDARY SCHOOL, AFFILIATED TO CBSE, NEW DELHI  
CHANDIGARH ROAD, SECTOR 32-A, LUDHIANA**

**Circular No: BCM/CR/2020-21/3**

**Dated: 08.06.2020**

**Dear Parents,**

Since the announcement of lock down due to spread of global pandemic COVID-19, schools along with industry and business were closed following the orders of State Govt. However, BCM School, Chandigarh Road didn't let studies be hindered even for a single day. Through a well-structured home based educational program - 'Digital Remote Learning', teachers transitioned to virtual class rooms and continued imparting online lessons.

New academic session began on 3 April 2020 and the students had a never before experience of meeting their new teachers virtually and learning not only in academics but in co-curricular activities as well. Teachers continued enhancing their competency through varied webinars/workshops offered by CBSE, Centre of Excellence to improve online learning experience for the students.

Your role has been equally praiseworthy because without your cooperation, imparting uninterrupted education and motivation was not possible for the teachers. With a 'hats off' gesture we extend our gratitude to 'YOU', the wonderful parents for providing every essential requisite and helping children in shifting to the new ways of learning. Your encouraging messages and valuable suggestions received during virtual parent teacher meetings were our lifelines, for which we are extremely thankful.

We hope that you shall provide the same supportive environment at home and encourage children to read good books, learn new arts and develop creative hobbies. Every child is born with an innate passion, now is the time to water seeds of those dormant talents and see them flourish. Needless to say yet advisable is to look after safety of the children and continue your involvement in completion of home assignments if/when needed.

Further, be notified that online teaching classes are to be held till 6 June and shall resume from 6 July 2020. Schedule of online tests for XI -XII to be conducted between 8 to 12 June is already shared with the students. In case any student misses a test for some genuine reason, his/her test will be taken again after 1 July, when online classes resume. If the Govt. permits opening of the school, students shall attend the regular classes from 11 July 2020. However, online classes shall remain a regular feature of the school to benefit students with the best of on/offline teaching.

We have also scheduled a summer camp for the students of Classes IV -VIII to be conducted between 8-18 June wherein children shall do physical exercise and sharpen their art, music and life skills. The details are enclosed herewith.

Further, to help children stay fit and motivated until the school reopens, we recommend a few links –

For watching inspirational movies- <https://myikff.com/stayhomewithikff.html>

For staying fit with Yoga and physical exercise-

The School office shall remain functional looking into all important administrative and academic matters besides daily operational exigencies. The “Standard Operating Procedures” are being followed as per preventive protocols to meet safety norms.

On a concluding note, be assured that we regard the trust you have placed in us and under every circumstance shall guard it with our heart and soul.

Assuring the best of our services as ever and expecting the same cooperation from your side in future,

**DP Guleria**

**PRINCIPAL**
