## BCM School, Chandigarh Road Hosts North India's Largest Career Expo

BCM School, Chandigarh Road, proudly hosted North India's largest Career Expo, welcoming over 50 prestigious universities from across the globe. The event served as a vibrant platform for students to explore academic opportunities, connect with university representatives, and gain insights into future career paths.

The expo was inaugurated by Dr. Prem Kumar, Manager of BCM School, who officially declared the event open. Principal Mr. D.P. Guleria encouraged students to take full advantage of the enriching experience and emphasized the importance of such platforms in shaping informed career decisions.

Adding immense value to the expo were breakout sessions on profile building, on-the-spot scholarship opportunities, and even admission offer letters, making it a truly transformative experience for the attendees.

With enthusiastic participation from students, parents, and educators from both the host school and neighboring institutions, the Career Expo stood as a testament to BCM School's commitment to future-ready education. The event not only broadened horizons but also reinforced the school's pivotal role in guiding students toward informed and empowered career choices.
