BCM STUDENTS GAIN HANDS-ON EXPERIENCE AT LPU BOOTCAMP

April 11, 2025 – Ludhiana:

A group of 50 enthusiastic students from BCM School recently participated in an insightful educational visit to Lovely Professional University (LPU), organised by Ms. Sanskriti Verma, PGT Mass Media. The trip aimed to provide students with practical exposure to the fields of journalism, digital media, and law, enhancing their classroom learning through real-world experiences.

The first stop of the visit was the School of Liberal Arts – Journalism, Film and Communication, where students engaged in a bootcamp-style session. The experience offered a deep dive into digital storytelling, newsroom setups, social media management, and broadcasting tools. Students had the opportunity to explore a working studio, operate a teleprompter, and experiment with green screen technology, making it an interactive and memorable learning environment.

Following this, the group visited the School of Law, where they observed the moot court setup. This visit provided them with a glimpse into the world of legal proceedings and courtroom dynamics, bridging theory with practice.

The educational visit concluded with a guided campus tour and a hearty lunch hosted by the university. As a thoughtful gesture, LPU presented mementos to the escorting teachers – Ms. Tarveen and Ms. Kavita Tomar. In return, BCM School expressed gratitude by gifting a sapling, symbolising friendship and the growth of educational ties.

The visit proved to be an enriching and inspiring experience, leaving students more aware of their career paths and passionate about exploring their interests further in the dynamic world of media and law.
