Celebrating Language and Expression: Day 2 of Literary Week

Ludhiana, April 19, 2025 - As part of the ongoing Literary Week celebrations, the Secondary Wing buzzed with enthusiasm as students took part in Poem Recitation and an interactive Word Game. Participants impressed with their expressive delivery, strong vocabulary, and creative use of language, reflecting their growing literary flair.

Meanwhile, in the Middle Wing, Class VI students showcased storytelling skills around the theme Nature, Class VII displayed innovation through Ad Mania, and Class VIII penned thoughtful biographies of William Shakespeare. Each activity aimed to foster a deeper appreciation for literature, creative expression, and communication among students.

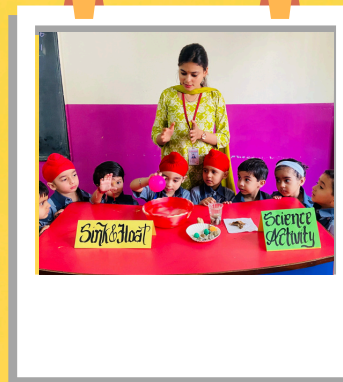

CURIOSITY IN ACTION: BCM KINDERGARTEN CHAMPS EXPERIMENT & EXPLORE

Young BCMites from Nursery to UKG actively engaged in a variety of hands-on activities designed to spark curiosity and build foundational skills. From exploring sink-and-float experiments and sound vibrations to learning how water has no shape or colour, the children deepened their understanding through observation and play.

Practical tasks like handkerchief folding, organising school bags, and inserting batteries further nurtured independence, coordination, and problem-solving—making learning joyful and meaningful at every step.
