### BCM School Stands United Against Terrorism, Pays Homage to Victims of the Pahalgam Attack

Ludhiana, April 24, 2025 – In a heartfelt tribute to the victims of the Pahalgam terror attack, BCM School organised a solidarity march led by students, raising their voices against terrorism and calling for justice. The entire school community—students, teachers, and staff—came together for prayer meet, paying homage to the innocent lives lost. Teachers engaged students in heartfelt conversations about the impact of terrorism and the value of peace. The tribute not only honoured the victims but also offered a chance to reflect on the devastating impact of violence and the importance of unity and peace.

OF THE DAY

Violence aims to silence - but every  
act of unity becomes a louder  
answer.

## Poshan Pakhwada: BMS Club Champions the Cause of Healthy Living

As part of the nation-wide Poshan Pakhwada initiative, the BMS Club's Secondary Wing successfully conducted a series of interactive and awareness-driven activities. Students demonstrated their knowledge and creativity through impactful PPT presentations on healthy living and nutrition. A Slogan and Reel Drafting Competition allowed students to creatively promote the importance of mindful eating. The highlight was a Zero Period Event on 24th April 2025, themed "Fighting Childhood Obesity Through a Healthy Lifestyle." These efforts significantly contributed to building awareness and encouraging healthier lifestyle choices among students.

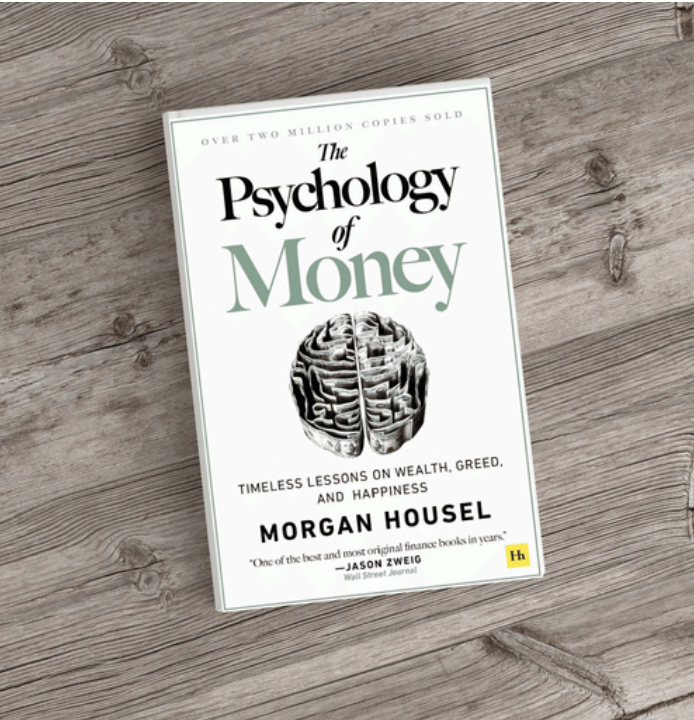

## Perseverance in Play: A Story Enactment to Inspire Young Minds

Kindergarten students explored the value of perseverance through a delightful enactment of The King and the Spider. With expressive storytelling and simple role play, children learned how not giving up can lead to success. The story of a king inspired by a spider's repeated efforts helped instill early lessons of courage, resilience, and determination. The activity made the value of perseverance both relatable and memorable for young minds.

# BOOK RECOMMENDATION

## THE PSYCHOLOGY OF MONEY MORGAN HOUSEL

The Psychology of Money by Morgan Housel delves into how human behaviour, emotion, and perception influence financial decisions more than logic or education. Using simple language and relatable anecdotes, the book encourages readers to rethink their relationship with money—emphasising patience, humility, and long-term thinking. Each chapter offers a unique insight into wealth, greed, and happiness, making complex financial ideas accessible to all. Highly recommended for students, teachers, parents, and anyone eager to build a healthy, mindful financial outlook.
