

MONTHLY REPORT DECEMBER

BCM Career Fair 2023 - Connecting Dreams, Bridging Continents

BCM Career Fair 2023, proved to be a monumental event that brought together students, educators, and professionals from around the world. This virtual extravaganza aimed to provide a platform for students in grades IX-XII to explore educational opportunities and career pathways, connecting with 30 esteemed universities from various corners of the globe.

The primary focus of the event was on students in grades IX-XII, offering them insights into diverse academic programs and career options. However, the fair was inclusive, welcoming students from other schools who sought to broaden their horizons and explore opportunities beyond geographical boundaries.

The Career Fair commenced with a grand opening ceremony. Dr. Prem Kumar Manger BCM School graced the occasion and officially declared the fair open. His inspirational words set the tone for the event, emphasizing the importance of global education and cross-cultural collaboration in shaping the future of our youth.

BCM School, in Collaboration with BML Munjal University, Hosts Electric Mobility Hackathon: A Triumph of Innovation!

In an electrifying collaboration, BCM School joined forces with BML Munjal University to host a ground breaking Electric Mobility Hackathon. The esteemed jury panel, comprising experts from BML Munjal University, was accompanied by the distinguished Dean of the School of Innovation and Technology. The competition unfolded as a testament to the promising future of innovation and technology in the field.

Outshining the competition, BCM School, Chandigarh Road, clinched the winning trophy with a remarkable achievement. Their outstanding efforts were rewarded with a generous cash prize of Rs 50,000 and an impressive 75% scholarship. 1st Runner up-Jesus Sacred Heart Convent School Secured 2nd Place, earning a cash prize of Rs 30,000 and a commendable 50% scholarship. The excitement continued as a tie unfolded for the 3rd prize. Both BCM School Basant City and RS Model Senior Secondary School demonstrated exceptional prowess, each securing a cash prize of Rs 20,000 and a 25% scholarship.

Visit of Prof David (Vice Chancellor Birmingham City University)

A noteworthy highlight was the visit of Professor David, Vice-Chancellor Birmingham City University.

The visit emphasized a dedicated focus on the Tinkering Lab, where Professor David showed keen interest in the lab's setup, on-going projects, and discussions centred on fostering innovation and practical learning experiences. The exploration extended to co-scholastic activities, showcasing diverse talents through art exhibitions, music performances, and sports activities. Professor David Mba acknowledged the school's commitment to holistic development beyond academics. Professor David Mba's visit was a success, aligning the visions of both institutions for educational excellence. His insights and encouragement have set the stage for a meaningful collaboration, marking the beginning of a mutually beneficial partnership.

Counsellor's' Meet at Indian School of Hospitality (Gurugram)

The Counsellor Meeting organized by the Indian School of Hospitality served as a pivotal gathering, bringing together 110 counsellors from across the globe.

The event kicked off with an engaging and commendable session by Mr. Kunal, who passionately discussed the evolving landscape of hospitality careers in the contemporary era.

Ms. Sweety Sethi (Chief Admissions Officer), Mr. Dhruv Barar (Associate Director), and Ms. Dharini Joshi (Regional Manager South Asia) played a crucial role in offering valuable insights into the admissions and processes at the Indian School of Hospitality. Their

presentations were not only informative but also served as a roadmap for counsellors to guide students effectively through the application and enrolment journey. Dr. Zubin's (Principal & Dean of Culinary) gave commendable session on culinary arts added a unique dimension to the meeting. His expertise in explaining the intricacies of culinary arts left the counsellors equipped with a deeper understanding, enabling them to better advice students interested in pursuing this field.
