Career Orientation Session in Collaboration with GD Goenka University

13.05.2024

BCM School, Chandigarh Road, hosted an enlightening Career Orientation Session in collaboration with GD Goenka University. The event featured two distinguished keynote speakers: Dr. Ugur Guven, Senior Professor of Aerospace Engineering, who delved into the fascinating world of interstellar research. His presentation highlighted the future of space exploration, potential careers in aerospace, and the importance of scientific innovation.

Chef Mayank Chopra, a seasoned culinary expert with international certifications and extensive industry experience, shared his culinary journey and the diverse opportunities within the culinary arts. His session included insights into global culinary trends, the significance of creativity in cooking, and pathways to becoming a professional chef. This session offered students a broad spectrum of career opportunities, from the vast expanse of aerospace engineering to the creative world of culinary arts, inspiring them to pursue their passions with enthusiasm.

Participation in the YUG Program

07.05.2024

BCM School proudly participated in the YUG Program initiated by the District Administration Ludhiana. Launched in 2023 by the then Deputy Commissioner of Ludhiana, the program aims to empower youth with governance and media skills. Our students received top-notch training from renowned experts:

Maneet Dewan / Paramjeet Singh from CityNeeds, who provided insights into urban governance and community needs.

Kunal Pruthi, Bureau Chief at CNI Channel, who shared his expertise in journalism, media ethics, and reporting techniques.

Simrat Kathuria, a social media influencer, who taught effective social media strategies, content creation, and digital communication skills. These sessions equipped our students with vital skills in media, communication, and community engagement, preparing them to be active

and informed citizens capable of making meaningful contributions to society.

Two days Career Fair

10.05.2024 & 14.05.2024

The Career Fair, a collaborative event between BCM School and IC3, was a vibrant and enriching experience. Highlights included: **Vibrant Booths:** Each booth was adorned with flags from various countries, creating a global atmosphere. Representatives from universities across continents were present to interact with students.

One-on-One Consultations: Students had the opportunity to engage in personal consultations with admissions experts, allowing them to ask specific questions about programs, application processes, and career prospects. Students explored various academic and career paths, gaining invaluable knowledge and inspiration for their future endeavours. The fair provided a platform for students to engage with global academic institutions and make informed decisions about their educational and professional futures.

Students engaged with university representatives, gathered valuable insights, and felt empowered to pursue global academic journeys. The fair provided a platform for students to explore diverse educational pathways and make informed decisions about their future.

PSAT Centre and Orientation Session

17.05.2024

BCM School is proud to announce its designation as an official PSAT center. To mark this milestone, we hosted an orientation session on May 17, 2024, organized by the College Board (USA). The session aimed to:

Inform Students: Provide comprehensive information about the PSAT, its structure, and its benefits for college admissions.

Prepare Students: Offer strategies and tips for effective preparation, emphasizing the importance of early and consistent practice. This orientation session marks a significant step towards enhancing our students' preparedness for standardized tests and college

admissions, setting them on a path to academic success.

Adobe Express Smart School

01.05.2024 & 02.05.2024

BCM School organized special Adobe training sessions for our dedicated educators. Led by experts delegated from Adobe's head office, these sessions focused on:

Advanced Training: Providing teachers with the latest tools and techniques in Adobe software to enhance their teaching methodologies.

Empowerment: Equipping teachers with the skills to integrate technology into their classrooms, fostering a more interactive and engaging learning environment.

Felicitation Ceremony at CT University

25.05.2024

We are delighted to announce that our students were honoured by Chairman Dr. Charanjit Channi of CT University for their outstanding academic achievements. This recognition reflects their hard work and dedication, inspiring them to continue striving for excellence. The ceremony celebrated the students' accomplishments and encouraged them to aim higher in their academic pursuits.

Dr. Brij Mohan Lall Munjal Centennial Orientation Session

16.05.2024

BCM School celebrated the legacy of its founder, Dr. Brij Mohan Lall Munjal, with a Centennial Orientation Session focused on the SAT, PSAT/NMSQT, and AP courses. The session was organized in collaboration with the College Board (USA) and featured keynote speakers:

Ms. Mehak Verma, Director at the College Board, who provided detailed insights into the structure and benefits of these standardized tests. Ms. Meenkashi, Senior Director at the College Board, who emphasized the importance of early preparation and understanding the advantages of taking AP courses. They addressed students' queries, provided valuable tips for effective exam preparation, and highlighted the significance of these academic opportunities in today's competitive landscape. Dr. Prem Kumar, Manager of BCM Schools, and Principal Mr. D.P. Guleria emphasized the importance of academic excellence and global readiness. This special event honoured Dr. Brij Mohan Lall Munjal's commitment to educational excellence and was well-received by students and faculty alike.

Admission in BML Munjal University

We are proud to highlight the outstanding achievement of one of our students, Diya, who has been awarded a 100% scholarship to study BBA at BML Munjal University under their financial need scheme. This scholarship is a testament to Diya's hard work, dedication, and academic excellence. It also underscores the support and guidance provided by BCM School to help students reach their full potential. Diya's success story serves as an inspiration to all our students, demonstrating that with perseverance and determination, they can achieve their dreams.

Round Table Discussion on SAT/PSAT and NMSQT AP Courses

16.05.2024

Senior Coordinator Ms. Meenakshi Aggarwal and Head Outreach/Career Counsellor Ms. Tarveen represented BCM School at a round table discussion hosted at the Hyatt Regency. The discussion included:

-Key Participants: Director and Senior Director of the College Board, along with various school counsellors and coordinators from other schools in Ludhiana.

Discussion Focus: The session centred on the SAT, PSAT, NMSQT, and AP courses. Topics included best practices for preparing students, benefits of these programs, and strategies to enhance student performance.

Ms. Tarveen and Ms. Meenakshi shared insights from BCM School's experiences, engaged in meaningful dialogue, and brought back valuable information to further support our students' academic journey.
