Monthly Report for August 2024

1. Exploring Future Career Trends with Mr. Sumit Wason 05.08.2024

BCM School recently hosted Mr. Sumit Wason from UPES and Peal Academy Dehradun for an enlightening session on "Centric Careers of the Future." Mr. Wason's presentation provided valuable insights into emerging job trends and essential skills for future careers. His session equipped our students with a better understanding of how to navigate the evolving job market and align their skills with future opportunities.

2. Expanding Academic Horizons with Ms. Karuna Ausman (Director University of Waterloo) and Insights into Higher Education with Ms. Cheta Saini (Student Recruitment) 08.08.2024

In August, BCM School welcomed Ms. Karuna Ausman from the University of Waterloo for a highly informative session. Ms. Ausman's expertise provided our students with a deeper understanding of various academic and professional fields. We also appreciate the contributions of Ms. Nidhi Vij and Ms. Nalini from the University of Waterloo, whose input significantly enriched the discussion and enhanced the overall educational experience.

Ms. Cheta Saini, a representative from the University of Manitoba, delivered an informative session on the programs and opportunities at her institution. Her presentation offered

valuable insights into higher education options, helping students broaden their perspective on potential academic and career paths.

3. Hands-On Experience at Plaksha University 20.08.2024

Our visit to Plaksha University in Mohali offered students a hands-on workshop on AI generative tools and prompt hacking techniques. This practical experience was a significant opportunity for students to explore cutting-edge technologies. A key highlight was our meeting with Dr. Kanchi Khanna, Senior Director at Plaksha University, whose insights added considerable value to the visit.

4. Understanding Futuristic Careers with Mr. Aakash Garon 21.08.2024

We were delighted to host Mr. Aakash Garon from the University of Calgary, who conducted sessions on futuristic careers and opportunities at the University of Calgary. Mr. Garon's engaging presentation provided our students with a clearer understanding of the career possibilities available to them and the pathways to pursue these opportunities.

5. IC3 Conference: Shaping Futures, Empowering Careers 27.08.2024-29.08.2024

Our Career Counsellor, Ms. Tarveen, attended the annual IC3 Conference in New Delhi, where she received recognition from Mr. Ganesh Kohli, Founder and Director of IC3 and representative from universities from all across the globe. This acknowledgment underscores our commitment to providing top-notch career guidance and staying ahead in career counselling practices.

6. Enhancing Entrepreneurial Mindsets

Ms. Tarveen's visit to Master's Union Business School in Gurugram included a discussion with Barkha Dutt on the safety of women studying abroad. This dialogue was crucial in addressing important concerns for students considering international education. Additionally, a roundtable discussion with Ms. Swati Ganeti, Director Master's Union and Mr. Ankur Vohra (Head of Institutional Partnerships) focused on fostering an entrepreneurial mind-set among students, encouraging creative thinking and innovative ventures.

7. Higher education Conclave 10.08.2024

BCM School Chandigarh Road participated in the Higher School Education Conclave, featuring Mr. Aman Gupta, Founder of Boat. The event provided an excellent platform for engaging with global university representatives and gaining valuable insights into educational trends and innovations. Mr. Gupta's session was particularly inspiring, emphasizing entrepreneurship and adaptability. Overall, the conclave offered significant learning opportunities and potential for future collaborations, enriching our educational perspective.
