Dear Parents Greetings!

As we approach the end of the 2024-25 academic year, we are confident your child is well-prepared for the upcoming annual examinations. Our dedicated faculty has worked diligently to create a supportive and stimulating learning environment, equipping students with the necessary knowledge and skills. We believe your child is ready to achieve their academic goals with dedication, and positive attitude.

Your encouragement and support play a vital role in their success. Please ensure that your child is not burdened with any kind of fear or anxiety regarding exams. Exams are merely an opportunity to measure academic progress of our students and also a means to identify areas for improvement. During exams students also learn to stay firm, prudent and resilient – the qualities which will help them emerge as a winner in the face of challenges.

Let us create a supportive environment that turns stressful exams into an epiphany of holistic learning and personal growth by following a few tips.

- Help your child in planning an appropriate schedule of study.
- Don’t schedule any unnecessary events/outings/travels during exam days.
