14. **Case based question**:
    Q1. Here's a case study with answers based on Chapter 5, "Women Change the World":
    Case Study:
    Razia is a young girl from a rural village in India. She belongs to a family where girls are expected to prioritize household chores and marriage over education. However, Razia's parents support her education and encourage her to pursue her dreams. Razia becomes involved in a local women's empowerment group, which provides her with training and support to become a leader in her community.

    Questions:
    1. What challenges might Razia face in pursuing her education and becoming a leader?
    2. How can Razia's involvement in the women's empowerment group benefit her and her community?
    3. What role can Razia play in challenging patriarchal norms in her community?

15. **Picture Based Questions**
    Answer the following questions based on picture given below.

    (i) Identify the person in above picture.
    (ii) Which title was she given and why?
    (iii) What was the purpose of mission set up by her?
