Poem- Saluting Womanhood

Oh woman, courageous and bold,
With virtues shining, like a story told.
A mountain high, with her heart so wide,
You balance life, with strength and pride.

You face the storm, with a steady heart,
Unshaken and strong, from the very start.
Like a river's flow, your kindness pours,
Touching lives, with love that endures.

With every step, you pave the way,
For a brighter future, in a busy day.
Oh woman, a true inspiration you are,
A symbol of love, a guiding star.
